About The College

St. Alphonsa College of Arts and Science, a higher educational institution established in the year 2014 and run by Syro- Malabar Diocese of Thuckalay, is one of the few colleges to have been accredited with B++ grade in the very first cycle of NAAC. The college is an affiliated college of Manonmaniam Sundaranar University. It's a co-educational and self – financed institution that strides towards greatness by inculcating knowledge and values to the students who come under its wings. Upholding the motto “Wisdom, Truth and Loyalty”, the college focuses on educating and empowering the students in multiple ways by offering coaching classes for various competitive exams, training on numerous sports and games, events and courses on skill development with the aid of its well-equipped infrastructure so that the students would excel and shine in the society. In this beautiful campus, students discover their intellectual passion and career by opting one of the 6 Undergraduate courses or 5 Postgraduate courses or by gaining doctorate in Commerce that are offered in the college.
